I as the parent/guardian of _____, have

received and read the following documents at the time of my child's admission to Trinity

Lutheran Preschool:

- 1) Parent's Rights (criminal record exemption)
- 2) Parent's Rights (notification Lic 995)
- 3) Personal Rights (Lic 613)
- 4) Parent Handbook (can be found on www.trinitylutheranpaso.org)
- 5) Admission Agreement:
 - a) An admission is granted on a "first come, first served" basis. As space is available they may enroll any time during the calendar year.
 - b) Each parent and child is required to visit the school before admission to determine whether the child is ready and to ensure his feeling of security. There will be a 6-week trial period upon enrollment. If the child is not adjusting to school within that time the child will be asked to stop attending and try again at a later date.
 - c) Upon reaching the limited number of students the school is licensed for, a wait list will be maintained.
 - d) Children must be enrolled in a regularly scheduled session and may attend only on the days and times for which enrolled. Exceptions to this will be made if prior arrangements are made with the director and the fee schedule is adhered to.
 - e) No child who meets all enrollment qualification will be denied admission based on sex, race, color, or national origin.
 - f) A physician's report (Lic 701) signed by a physician or physician's assistant must be on file prior to enrollment. Documentation must include current immunizations for the age of the child.

I understand the licensing agency has the right to interview children or staff and to inspect and audit the facility or children's records without prior consent. The licensing agency has the right to observe the physical condition of any child(ren), including conditions which could indicate abuse, neglect or inappropriate placement, and have a licensed medical professional physically examine the child(ren).

Pick Up Agreement

Be on time! (for drop off and pick up)

Your child, _____ is scheduled for
classes on: M _____ T _____ W _____ Th _____ F _____

(Check all that apply)

Their arrival time is ____:____. Their pick up time is ____:____.

There is a 10-minute grace period for pick up. After the 10-minute grace period, you will be charged \$1.00 per minute until your arrival. This is according to the **clock we use in the preschool**. Payment is expected on that day.

You have one "free pass" on being late for pick up! You will be charged upon your "free pass" late arrival a rate of \$4.00 billed on the quarterly hour. This extra amount should be included in your next month's tuition payment.

If you need or want a different pick up time than is stated above, you must make prior arrangements (prior to the start of their class) with the director. A billing of \$4.00 billed on the quarter hour must be included in the next available tuition payment.

If someone else is dropping off or picking up your child, please advise them of the correct times, and instruct them on sign out procedures.

Children should remain with their class until they are dismissed by name. We call out children's names as we see that their "rides" has arrived. After children are dismissed, it is important for the person responsible for them to watch them and their siblings. It is not ok to run around or continue "school activities" as we have other classes going on, coming in or we need to set up for the following day. Be courteous, sensitive, and respectful to what's going on.

I understand and agree to the above procedures.

Student Profile

The following is based on the information in the Cynthia Ulrich Tobias's book The Way They Learn, published by Focus on the Family. It is designed to be a guide for parents in describing each child's strengths and preferences to a teacher. Remember, you are not necessarily asking for special treatment for your child, and you are certainly not suggesting that the teacher or caregiver compromise standards or excuse your child from meeting fundamental academic outcomes. You are sharing what you know about your child and asking the teacher for insights that may aid you in helping your child understand, appreciate, and cope with demands that may or may not match his/her natural learning style.

You should fill out the following as you carefully observe and talk to your child.

IMPORTANT INFORMATION FOR PARENTS

CAREGIVER BACKGROUND CHECK PROCESS CALIFORNIA DEPARTMENT OF SOCIAL SERVICES

The California Department of Social Services works to protect the safety of children in child care by licensing child care centers and family child care homes. Our highest priority is to be sure that children are in safe and healthy child care settings. California law requires a background check for any adult who owns, lives in, or works in a licensed child care home or center. Each of these adults must submit fingerprints so that a background check can be done to see if they have any history of crime. If we find that a person has been convicted of a crime other than a minor traffic violation or a marijuana-related offense covered by the marijuana reform legislation codified at Health and Safety Code sections 11361.5 and 11361.7, he/she cannot work or live in the licensed child care home or center unless approved by the Department. This approval is called an exemption.

A person convicted of a crime such as murder, rape, torture, kidnapping, crimes of sexual violence or molestation against children **cannot by law be given an exemption that would allow them to own, live in or work in** a licensed child care home or center. If the crime was a felony or a serious misdemeanor, the person must leave the facility while the request is being reviewed. If the crime is less serious, he/she may be allowed to remain in the licensed child care home or center while the exemption request is being reviewed.

How the Exemption Request is Reviewed

We request information from police departments, the FBI and the courts about the person's record. We consider the type of crime, how many crimes there were, how long ago the crime happened and whether the person has been honest in what they told us.

The person who needs the exemption must provide information about:

- The crime
- What they have done to change their life and obey the law
- Whether they are working, going to school, or receiving training
- Whether they have successfully completed a counseling or rehabilitation program

The person also gives us reference letters from people who aren't related to them who know about their history and their life now.

We look at all these things very carefully in making our decision on exemptions. By law this information cannot be shared with the public.

How to Obtain More Information

As a parent or authorized representative of a child in licensed child care, you have the right to ask the licensed child care home or center whether anyone working or living there has an exemption. If you request this information, and there is a person with an exemption, the child care home or center must tell you the person's name and how he or she is involved with the home or center and give you the name, address, and telephone number of the local licensing office. You may also get the person's name by contacting the local licensing office. You may find the address and phone number on our website. The website address is <http://cald.ca.gov/contact.htm>.
