ENROLLMENT AGREEMENT with all required SIGNATURES

For admission of my child to Trinity Lutheran School, I (we) agree with the placement of this student as established by the administration for the year 2020-2021. I (we) further understand, acknowledge and agree that Trinity Lutheran School (TLS) is a school of limited enrollment. By executing this Agreement, TLS agrees to provide a place for my child in his or her respective class, which may deprive another child of the privilege of enrolling at TLS. In the event said student withdraws, I (we) are responsible for tuition up to and including two weeks after announced withdrawal date. TLS reserves the right, at its sole discretion, to expel or dismiss the above-named student if the student's presence or the actions of a family member at TLS would be detrimental to the student or the school. In such event, parents are responsible for the remainder of the school year's tuition and fees. I (we) also understand that a **nonrefundable** registration fee is due at time of enrollment. Paperwork without accompanying fees will not be acknowledged as enrollment, and the student will not be considered until all fees and paperwork are complete. I (we) certify that the information given is complete, accurate and agreed to by all custodial parties. Further, I (we) agree to fulfill all financial obligations and to adhere to the policies and regulations of Trinity Lutheran School including clearing all delinquencies from the previous school year(s). STUDENT RELEASE FORM 2020/2021

PRINT AND AUDIO VISUAL MATERIALS

We're proud of our students, teachers, and school in general and like to share the accomplishments with others. This includes information in written and audiovisual form. We have school brochures, a web site, promotional materials, and access to local newspapers and television stations that are all available to the community at large. We would like to include your student in these materials if the opportunity arises. It is our practice to only use first names (and often no name at all) with information that is accompanied by a photo or other visual media.

MEDICATION ADMINISTRATION

Under rulings of the State Educational Code, medication can be given at school only under the following situations:

1. A physician must prescribe the medication.
2. Prescription and nonprescription medications must be stored in the original bottle with unaltered labels.
3. Medications requiring refrigeration must be properly stored.
4. All prescription and nonprescription medications shall be maintained with the child's name and shall be dated. Outdated medications will not be honored.
5. Consent must be provided from the parent, permitting school facility personnel to administer medications to the child. Instruction shall not conflict with the prescription label or product label directions.
6. Medication will be kept at the school office. Exceptions to this include diabetic kits, asthma inhalers, Epi-pens and any other medical devices or prescriptions that must be with the student at all times. Information regarding such devices/prescriptions must be kept on file and up-to-date in the school office. While on a field trip, medication will be kept in the teacher's possession.
7. Children's Tylenol/Aspirin/Advil will be kept on hand in the school office. Upon parent request, such medications will be administered only after parental consent each time. Continued or chronic use of such nonprescription medications will require the parent to provide such medications to the school office.
8. A separate information sheet may be required for certain medications. (See office for details)

Parental/Guardian Commitment 2020/2021

Student _____ Grade _____

In this agreement between TLS and _____, we commit to the following:
Parents/Legal Guardian Names

1. We will faithfully support the school through our prayers and positive attitude, and share any complaints and/or questionable or negative comments with only the people involved and not around our child(ren). Likewise, what is shared will remain confidential and will be expressed to appropriate leadership only with our awareness and approval.
2. We understand the general philosophy of education as stated in the Parent and Student Handbook, and are in agreement with the purpose and intent of TLS.
3. We agree with the standards of conduct and discipline as outlined in the Parent and Student Handbook, and grant authority to the Administration and Staff to discipline our child(ren) when necessary. We further agree to follow through with appropriate consequences at home to be in alignment with the school.
4. We understand that the standards of TLS do not tolerate profanity, obscenity in word or action, dishonor to the Word of God, disrespect to the personnel, students, and/or families of the church and school, disobedience to the established policies of the school, or harassment of any kind.
5. We choose to honor those whom God has placed in authority at TLS. In doing this, we understand that we are honoring our Lord Jesus Christ while protecting our own integrity as a family.
6. We understand that while our child(ren) is/are enrolled at TLS, as parents/guardians, we accept the responsibility for our child(ren). This includes, but is not limited to, the following: cooperating fully with the dress code, tardy policy, and attendance policy. In choosing to take our child(ren) out of school when they are not sick (vacations, etc) during regularly scheduled school, we acknowledge the consequences that may affect the student's learning and/or grades. The burden of missed assignments rests with us (parents), not the teacher(s). We will uphold these policies by teaching accountability through responsibility.
7. We will uphold and support the high academic standards of the school by providing a place at home for our child(ren) to study, and to give our child(ren) positive encouragement in the timely completion of homework assignments and projects. We will allow them to be independent thinkers and doers remembering that the assignments and projects are **not for us to complete**, but for them to process and complete at their own developmental level.
8. We understand that fees will be assessed to cover damages to the school property and the personal property (lost or damaged books, equipment, or supplies) within the facility and its grounds.
9. We will support the school by involvement in school sponsored meetings, activities, fundraisers, extra-curricular events, and our time and talents.

We have read the above statements and are in agreement.

DRIVER'S INSURANCE FORM

School sponsored field trips use private vehicles to transport students to and from the events. To assure insurance coverage for all riders, California law, private insurance policies, school policies and school insurance policies must be adhered to at all times.

Recommendations/Requirements:

- Children 12 and younger should ride in the back seat if at all possible
- No child may ride where an air bag is present
- Children under 4'9" tall or 8 years of age must be in an approved child safety seat and ride in the back seat.
- Each child must have their own seat belt
- Drivers may transport only to designated destination. No side trips allowed.
- All events begin and end at school unless otherwise noted on permission slip

As a driver and/or chaperone on a field trip, you have the unique opportunity to support the classroom teacher in extended learning opportunities. You are entrusted with the responsibility of caring for and supervising the students in your vehicle or the students assigned to you by the classroom teacher. At all times, we ask that the safety of your group be your prime concern. Your personal behavior and appearance is a model to the students. Your positive attitude will help set the tone. Strive to do your part to help make the field trip a wonderful experience for each and every child by encouraging them to be positive and treat others with respect.

Our insurance company, *Brotherhood Mutual*, has the following driver requirements:

- Brotherhood Mutual prefers that all drivers be between the ages of 25 and 65. However, we will accept drivers between the ages of 21 and 24 and over the age of 65 provided they have no accidents or violations on their motor vehicle record.
- All drivers must be properly licensed for the vehicle being driven. Class B licenses (with passenger endorsement) are required for all vehicles with a seating capacity of over 10 passengers, including the driver. (California State Law)
- No driver will be allowed to drive if he or she has more than one moving violation or accident on his or her record within the past three years.
- No driver will be permitted to drive if they have a D.U.I. on their driving record or if their license has ever been suspended.
- All drivers must have a valid United States driver's license.

Drivers/Chaperones: Absolutely no alcohol, drugs or tobacco at any time connected with the trip. All traffic laws must be observed. (Watch your speed!) If traveling with more than one vehicle, please caravan by following the lead car. No side trips, stopping for food, running an errand, etc. (That means you may not stop and get your passengers or yourself a treat, snack, or meal. If it says, "pack a sack lunch," that includes the drivers/chaperones). Avoid the use by adults and students of any electronic devices such as iPods, iPads, cell phones, or electronic games. This includes movies in the vehicle. Part of the experience of going off campus is to build a sense of community. This cannot be done if everyone is engaged with an electronic device. Encourage positive attitudes and conversations. Redirect any conversations that dishonor others.

I have read and understand all the aforementioned driver requirements. I am deemed a qualified driver under these qualifications. If my driving status changes at any time during the school year, which would disqualify me as a school sponsored event driver, I will notify the school office immediately.

Re: Immunization requirements for 2020 - **Students Admitted at K-12 Need:**

Diphtheria, Tetanus, and Pertussis (DTaP, DTP, Tdap, or Td) — 5 doses

(4 doses OK if one was given on or after 4th birthday. 3 doses OK if one was given on or after 7th birthday.)

For 7th-12th graders, at least 1 dose of pertussis-containing vaccine is required on or after 7th birthday.

- **Polio (OPV or IPV) — 4 doses**
(3 doses OK if one was given on or after 4th birthday)
- **Hepatitis B — 3 doses**
(not required for 7th grade entry)
- **Measles, Mumps, and Rubella (MMR) — 2 doses**
(Both given on or after 1st birthday)
- **Varicella (Chickenpox) — 2 doses**

These immunization requirements also apply to students entering transitional kindergarten.

All California schools are required to check immunization records for all new student admissions at TK/Kindergarten through 12th grade and all students advancing to 7th grade before entry. Parents must show their child's Immunization Record as proof of immunization.

Medical Exemptions

1. For admissions on or after July 1, 2019, what is required for a medical exemption to a required immunization?

Starting July 1, 2019, a parent or guardian must submit a signed, written statement from a physician (MD or DO) licensed in California which states:

- The specific nature of the physical condition or medical circumstance of the child for which a licensed physician does not recommend immunization.
- Each specific required vaccine that is being exempted.
- Whether the medical exemption is permanent or temporary.
- If the exemption is temporary, an expiration date no more than 12 calendar months from the date of signing.

2. For admissions prior to July 1, 2019, what is required for a medical exemption to a required immunization (per [17 CCR section 6051](#))?

A parent or guardian must submit a written statement from a licensed physician (MD or DO) which states:

- That the physical condition or medical circumstances of the child are such that the required immunization(s) is not indicated
- Which vaccines are being exempted
- Whether the medical exemption is permanent or temporary.
- The expiration date, if the exemption is temporary.

3. Does a medical exemption filed for a child attending before July 1, 2019, need to meet the new requirements?

In some cases. A medical exemption filed previously remains valid until the earliest of:

- When the child is next considered to be an admission at a school or pre-kindergarten facility (applies to both temporary and permanent medical exemptions), at which time staff will need to confirm if the previously filed medical exemption meets the newer requirements, or
- The expiration date specified in the medical exemption (applies to temporary medical exemptions), or
- Advancement to 7th grade, for a medical exemption from varicella vaccine or Tdap.

4. To meet the chickenpox immunization requirement for TK/K-12 admission or for advancement into 7th grade, may a school accept an immunization record that indicates a "history of chickenpox disease"?

No, this is not sufficient documentation to meet school requirements. Medical exemption documentation may be used for a child who had chickenpox disease that was documented by a physician. For more information on medical exemption documentation requirements, see questions above.

Personal Belief Exemptions

5. What were the main changes Senate Bill (SB) 277 (Pan, 2015) made to the immunization requirements for children entering child care or school?

Since January 1, 2016:

- Parents or guardians of students in any school or child-care facility, whether public or private, are no longer allowed to submit a personal beliefs exemption to a currently-required vaccine.
- Students are no longer required to have immunizations for entry if they attend:
 - a home-based private school or
 - an independent study program and do not receive classroom-based instruction.
- Students who have an individualized education program (IEP) should continue to receive all necessary services identified in their IEP regardless of their vaccination status.
- However, parents or guardians must continue to provide immunization records for these students to their schools, and schools must continue to maintain and report records of immunizations that have been received for these students.
